Letter no 89 dt 12.2.1917.

Reports that the temple lands refo. to are Rudayams lands, and that the patna thereof has been made out in the name of the temple as directed in S.O. no 11791/A. 1744 dt 19.1.1895.

9 As the Dy. Commr reports in SK1, that there has been gross mismanagement of the issue, it is a point for consideration whether under Sec. 9 of the Muz. Regn, the issue may not be taken under govt management and a scheme framed for the better management of its affairs.

Sir,

I have the honor to state
that the inhabitants of Bakkahalli
Village, Nanjangud Taluk petitioned
to the Amildar that the Kaleeswara
temple at the place was in
a very neglected condition so
much so that all the stones
were

Wely to come down and

prayed that the temple be repaired early from the savings effected out of the income of 120 pallas of paddy every year etc.

Thereupon the Amildar after personal inspection during the taluk gamabandi reports in his 'ittilla No. 97' of the 17th November 1912 that the temple in question owns wet lands detailed as per margin, that the yield of nearly 100 pallas of paddy is being enjoyed by Lingiah, Madiah, and Sreekantiah who are the pujaries of the temple

S. No.	Wet	Extent	Assessment		1-2-20	0-12-0	0-9-6	0-13-0

78	"	1-37	9-8-0	"				
158	"	2-23	2-8-0	10-8-0				

9 that the present

the temple is due to their ~
cumulative neglect, that his
warning to the pujaries to get
the repairs done was of no avail,
that they say that the temple
has to be repaired by the people
with what little help they are
prepared to give and that their
duty is to enjoy the lands and
conduct the puja. The Amildar further
suggests that as in many such
instances the Inam lands be
taken over under Government
management giving only as
much out of the income as is
required for doing puja, that
the

may be credited
to temple funds to be utilized
for the repairs when sufficient
funds are accumulated, and
that when the temple is brought
to a standard the question of
restoring the Guam lands may
be decided.

The Sub Division officer
opines that the suggestions
of the Auildar may with advantage
be carried out.

I agree with the Sub Division
officer and Auildar and request
that you will be so good as to
obtain Government orders thereon
at a very early date.
